

ACKNOWLEDGEMENT

The Department of Agronomy, Rajendra Agricultural University, Bihar, Pusa, Samastipur feels highly grateful to the ICAR for kind consideration in allotment of sufficient fund for All India Coordinated Research Project on Weed Management to this centre. Thanks are given to Dr. Ajit Ram Sharma, Director, Directorate of Weed Research (DWR) for his constant help, guidance and encouragement during the course of the investigation. Thanks are given to Coordinator Dr. Shobha Sondhia for his time to time suggestions and monitoring of the Project. It is a matter of immense pleasure for us to express our profound regards and deep sense of gratitude to the Hon'ble Vice Chancellor, Dr. R. K. Mittal for providing necessary facilities, valuable suggestions and help for smooth conduction of experiments. Thanks are also due to the Director Research, Dr. M. Kumar for his time to time directions and providing comprehensive facilities to carry out this project. Special thanks are also due to Dr. Ravi Nandan, Chairman, Department of Agronomy for his unflinching interest in the investigation and good wishes during whole period of Project works. We feel highly proud to all scientists of the Department of Agronomy for their valuable suggestions for conducting the experiments. We also feel grateful to our colleague scientists, technical staffs and labourers for their sincere works during successful conduction of the experiments. Thanks are also due to the managerial staffs of Crop Research Centre, Pusa Farm for their efficient management in respect of timely providing of necessary facilities and security of experimental plots.
